內地項目 Chinese Mainland Projects

內地推行「易地扶貧搬遷」計劃，協助深度貧困地區的農民，由偏遠貧瘠之地搬遷至縣城生活以推動脫貧，雲南省麗江市永勝縣梨園社區便是其中一個典型項目。本會自2024年起參與支援梨園社區，為留守兒童提供日常服務，改善他們的學習與生活質素，協助他們從農村生活融入至城市生活。

我們亦與永勝縣第四中學合作，設立「苗圃班」以資助家境清貧但有志升學的高中生，並培養他們回饋社區，讓他們在得到幫助的同時，亦定期到梨園社區中心為兒童提供課後輔導、活動協助及探訪，培養助人自助的精神。另外，我們在雲南省德宏州瑞麗市的第五民族中學，設立了「苗圃僑生班」，資助緬甸籍華裔貧困學生完成高中學業，以知識改變命運。

除了直接資助學生，我們亦在雲南省臨滄市推展「照亮上學路」太陽能路燈項目，合力安裝路燈，為村民點亮歸途，提升學生及村民的出行安全與生活便利。此外，我們持續推行「送愛暖童心」活動，邀請義工親自將保暖外套送到雲南省及甘肅省偏遠山區學校，為當地學生送上關愛與溫暖。

As part of the “Relocation for Rural Poor for Poverty Alleviation”, residents of deeply impoverished areas have been relocated to towns and county to improve their living conditions and opportunities. Since 2024, we have supported the Liyuan Community Centre in Yongsheng County, Lijiang, Yunnan, providing after-school tutoring, personal development activities and care services for left-behind children who have moved into urban communities. These programs help them adapt to the transition from rural to urban life while enhancing their educational and living standards.

At the same time, we also cooperated with Yongsheng No.4 Secondary School to establish “Sowers Class” which provides financial support to underprivileged students who intend to pursue higher education. This program also encourages students to give back to the community by serving the Liyuan Community Centre regularly, fostering both self-help and mutual help. In addition, we also established the “Sowers Overseas Chinese Student Class” at Ruili No.5 Secondary School supporting impoverished Chinese students from Myanmar in completing higher education and changing their lives through education.

Beyond direct student sponsorship, we have launched the solar light project in Lincang, Yunnan. Solar-powered streetlights were installed to improve safety and accessibility for students and residents travelling at night. In addition, our ongoing “Sending Warm Love” initiative mobilizes volunteers to personally deliver winter jackets to students in remote mountain areas of Yunnan and Gansu, showing love and care to students in need.

尼泊爾項目 Nepal Projects

尼泊爾苗圃社區中心已成立兩年，中心繼續為加德滿都的弱勢民眾提供免費中文及英文語文班，中心的圖書館亦為群眾提供工作坊、閱讀會等活動。

由尼泊爾苗圃直接管理的女生宿舍項目已開展兩年，成果顯著，住宿女生人數由最初的15人，增至本年度的64人。宿舍除了為貧困高中女生提供免費住宿外，亦提供不同的培訓支援，以提升女生的自信及爭取高等教育的機會。而男生宿舍方面，我們繼續通過當地合作伙伴100 Group資助43名男生。

除高中生資助外，我們在加德滿都的CWARDS日間託管中心，繼續為當地弱勢工人提供幼兒託管，讓這些幼童能在安全的環境下學習。

由於尼泊爾與中國的獨特地理環境，學習中文能為弱勢解鎖更廣泛的職業選擇。因此，我們繼續支持中尼邊境的學校將中文納入中學課程，以提升當地學生的發展機會。

在其他地區，我們持續支援不同學生項目，包括學生膳食、送贈保暖棉衣及為學校提供太陽能燈等項目。

The Sowers Action Nepal Community Centre has been serving the community for 2 years, continuing to provide free Chinese and English language classes for disadvantaged residents in Kathmandu. The Centre's library also hosts workshops, reading clubs, and other activities for the public.

Our girls' hostel has been running for 2 years with remarkable results. The number of students has grown from the initial 15 to 64 this year. In addition to free accommodation for underprivileged high school girls, the hostel provides training support in helping the girls strengthen their confidence and pursue higher education. For boys, we continue to support 43 students through our local partner, 100 Group.

In Kathmandu, we continue our collaboration with CWARDS Day Care Centre in supporting the families of disadvantaged workers by providing daily care and education to their children in a safe environment.

Given Nepal's unique geographical ties with China, learning Chinese opens wider career opportunities for disadvantaged youth. We therefore continue to support schools along the China-Nepal border in integrating Chinese language into their secondary school curriculum, expanding students' development prospects.

In other regions, we sustain a wide range of student support initiatives, including school meal programs, distribution of winter jackets, and installation of solar light system to improve safety and convenience for students.
