# Regional Subsidy Summary : Overseas

## Nepal:

Sowers Action Nepal was established for long-term development. Beside general education aid projects, we have launched Chinese Language classes to promote Chinese culture, hence enhance job opportunities. The country was unfortunately hit by a combination of the pandemic, floods and fires, so the focus of funding was on disaster relief and reconstruction. In addition, there's agricultural support program.

## Myanmar:

In addition to Covid-19 relief, we also subsidized the operating costs of a children's home.

## Thailand:

A new school building was constructed this year, and computing equipment was supplied to another school. We also made a new attempt to train middle school students to become future Chinese language teachers.

# Regional Subsidy Summary : HK, China

The pandemic has allowed us to pay more attention to the situation of local grassroots families. In addition to the inherent after-school tutoring program, we also visit grassroots families to understand their needs by distributing stationery bags and lucky bags. We also launched a three-month emergency anti-pandemic and food assistance program. In addition, we also subsidized households in subdivided flats in Kwun Tong District to purchase or replace household appliances.
